THE GARDEN

## The Garden Gives Grant Application

The Garden Gives grant is a combination of a monetary donation to your non-profit, a collection of small consumables needed by your organization, and a service project for which you need volunteers. Note that the grant is meant to be a collaboration between The Garden and the awarded non-profit. Both sides will need to work together to further each other's missions in the community.

### ORGANIZATION'S INFORMATION

**Name**_____ **Are you a 501(c)(3) non-profit?** ◯Y ◯N
